Sonia and Paul Jeffares

*Join us for the Slow Fashion Lunch at
Paul and Sonja Jeffares' home in Burradoo.*

Talented local fibre artist Margaret Connor will talk about felt making followed by a parade of Margaret's clothes, which will be available for purchase.

Margaret's passion is producing felted fibre garments and functional items for interior design and household use. Merino, Alpaca, Mohair and silk are combined with fabrics to produce unique textiles. She produces one-off garments by hand.

Margaret will tell us about her felt making followed by a parade of her wonderful clothes.
